### **Events held since the May 01, 2024**

#### **Sunset Social at Pillitteri**

This event has been held annually for a number of years now and continues to be very popular. It is a wonderful way to kick off spring and to connect with friends and neighbors.

#### **Garage Sale**

The resident survey held in 2023 highlighted that many residents were interested in having a garage sale organized. Thirty homes participated; with many potential buyers in attendance including Village residents.

#### **Golf Tournament**

The weather was perfect for this year's tournament. We were able to secure a shotgun start, meaning all foursomes finished at the same time. Prizes were awarded before an enjoyable dinner at the Waterfront Restaurant.

## **Events planned for the remainder of this year**

### **Halloween**

This event is being planned and will include gathering much needed donations for Newark Neighbors. More details will be provided in the newsletter.

### **Village Potluck and Holiday Music - Nov 24, 2024**

The VCA Social Committee will be arranging a village potluck to coincide with the annual holiday lighting. Again, this year there will be musicians playing favorite holiday tunes making for a magical evening. It is rumoured that Santa may make an appearance!

### **Winter Mix and Mingles**

The committee will be arranging mix and mingle events at local wineries to warm up winter and connect with friends and neighbors.

**The Social Committee welcomes ideas and suggestions for future events from VCA members.**
