

# Membership Report

## General Meeting October 16, 2024

Prepared by: Judy Huntington-Mackay, Membership/Welcome Coordinator

### 2024/254 MEMBERSHIP at October 1, 2024

- With 184 members (including 1 donation), we are ahead of last year's total membership of 178 (175 to October 2023). Given the number of homes up for sale, we should have no problem reaching that number again.

### WELCOME PACKAGES

- 10 Welcome Packages have been distributed since May 1, 2024.
- More real estate agents are starting to share ownership info (with permission of course). This enables us to deliver a Welcome Package quickly, providing a contact point in The Village..

### Our Membership Ambassadors Continue their Good Work

- We'd like to thank Tina Clement for taking over for Dee after the Fahlman's moved to Ottawa.
