

VCA General Meeting

October 16, 2024

Holiday Decorating Committee Report

Committee Chair: Dale Desislets

- **MARK YOUR CALENDAR:** The 2024 Holiday Lighting Event will be on Sunday, November 24 at 5:00 p.m. in Dietsch Park and Colonel Cohoe Street (whether wet, dry or snowy), with the social event to follow. The decorations will remain lit every evening until January
- **DECORATE YOUR PROPERTY:** Last year, we were encouraged to see many residents joining us in our effort to make the neighbourhood the brightest one in town for the holidays. Since we will begin decorating the parks and lampposts around November 12th, please take that as your cue to start work on your home and yard as well, so the whole Village will come to life on November 24.
- **NEW VOLUNTEERS:** At the moment, it looks like we have all the volunteers needed for our decorating teams, but we are always open to new recruits to fill any vacancies that arise. If you would like to volunteer, send your contact info to Dale DesIslets at vcadecorteam@gmail.com
We will contact you as needed.
- **EVERYONE IS A VOLUNTEER:** The job isn't done when the lights turn on and the season begins, so here's your chance to be a volunteer without leaving your house. Wind, snow, ice and rain sometimes disable our decorations, so be our eyes on the ground-if you see lights out, decorations askew or missing, let us know right away. We will post a quick link on the VCA website, or email vcadecorteam@gmail.com
- **FINANCIAL CONTRIBUTIONS AND FEEDBACK...**are always welcome; contributions to the VCA President or Treasurer; feedback to Dale DesIslets at 289-868-8856, or vcadecorteam@gmail.com
